DIWALI NOTICE & HOMEWORK

Class -

Dear Parents,

We are pleased to inform you that the **Diwali Vacation** will commence from **16th October to 5th November**. The students have performed wonderfully in their previous semester, and we truly appreciate their hard work and dedication. To continue this positive spirit, it is important that **parents, teachers, and students work together** to make their achievements shine even brighter.

As the festive season begins, we kindly request all parents to **take proper care of their children during the vacation**. Please ensure that they follow safety measures, especially while **bursting crackers**, as overenthusiasm can sometimes lead to accidents or injuries. We urge you to **guide and supervise your children** so that they can enjoy a safe and joyful Diwali celebration.

Wishing you and your family a **very Happy and Prosperous Diwali!**

The School will Re-Open on 06th November 2025.
